

Cegereal ranked amongst Europe's leaders in financial and extra-financial reporting

Cegereal won two awards at the annual conference of the EPRA (European Public Real Estate Association) for the quality of its financial and extra-financial reporting.

After a “Silver Award” last year, Cegereal won the “Most Improved Award” for its 2015 annual report and joined the companies who received a “Gold Award” in 2016.

The EPRA aims at promoting, developing and representing all listed real estate companies at the European level. Its purpose is to promote coherent reporting in the real estate sector, both on financial and extra-financial information, by the adoption of a set of KPIs. It also rewards reporting best practices (Gold, Silver and Bronze).
